Springfield Signa Two Infielders. Springfield Signs Two Infielders.

Manager Hamilton of Springfield
has signed two young infielders, both
of whom have been highly recommended to him. Eck, the first youngster, has never had professional experience but i said to be fast. DeMonville, the other youngster, comes
from around New York, and Hamilton has been told that he will easily
make good in Class B company. Infielders, however, are what Springfield
has to need the least, though if
ther show up well they can be used
to advantage in trades to strengthen
any other weak position that may develop.

When it was learned on Monday night that Dan Murphy had decided to join forces with the outlaw organization many believed that Danny was the player the Wards were after to guide their team in its fight on organized baseball. Murphy captained the Ath-letics for many years under Connie Mack, and was one of the wizard's able assistants. But the Wards settled the question by announcing that Brad-

During his days in the big league he ranked with the best of the third basement and he was called on many occasions the equal of Jimmy Collins. Bradley will have full charge of the team and has ordered the players to report to the training camp on Friday morning. Bill expects all of his players to be camped at Columbia, S. C., on Saturday ready for the first work-out. Murphy will pastime in center field Murphy will pastime in center field for the Feds and act as a lieutenant to bradley. The Brooklyn Federals are backed by the great buttercrust break kings, the Ward brothers. Danny says that Bradley will be captain also and he will serve as his righthand man.

NEW HAVEN HEAVY. Other Railroads Slump-Sugar at Lowest Point Since 1907.

York, March 11.-The New York, March 11.—The strong tone of the preceding session was lacking in the stock market today and fluctuations were irregular. Attempts at the outset to extend the rise were checked by large selling of American Sugar and the eastern railroad shares.

Sugar and the eastern railroad shares.
Sugar fell to the lowest point since
1967. Reading, New Haven and New
York Central developed heaviness. The
whole list softened under the influence
of this selling.

Pressure diminished in the latter

strength. Railroad shares, however,
exhibited further weakness and the

Rock Island common at 4 1-4, the preferred at 7 1-4 and the collatthe preferred at 7 1-4 and the collaterals at 40 touched new low records. Western Pacific fives, one of the weakest of the Gould securities, dropped four points to a low record at 59.

The improvement among the industrials was helped on by good reports from the Iron and steel trade. Low priced copper shares were bought on indications of an increased demand for the metal, following publication of the strong monthly statement of the prostrong monthly statement of the pro-ducers' association. American Sugar's recent decline was American Sugar's recent decline was explained by the sharp decrease in earnings shown in the annual report. The gross profits for 1913 were \$3,393,099 under the preceding year. Gossip of a possible cut in New York Central's dividend rate at this time was ended by the declaration of the regular dividend, in which the stock rallied sharply after an early slump. Selling for foreign account was resumed here, Offerings were comparatively light and only about 10,000 shares were disposed of on cabled orders.

FORMER GIANTS SIGNS WITH NEW BRITIAN

Players Will Take a Spring Training Trip in April.

William Scinski, owner of the New Britain club, has signed up George E. Browne, a former member of the world's champion Giants, as assistant world's champion Glants, as assistant manager. As reported last week Browne wrote to President O'Rourke looking for a berth as manager and Saturday he completed arrangements with Scinski to act as his assistant and play in the outfield.

Scinski has signed up eighteen players and the veterans in the list are Ostrich, Perkins, Zeimer, Hancock, Dug Smith and Paddy Green.

Shreveport, La., March 11.—James Gilmore, president of the Federal league, here with the Chicago Fed-erals, today refused to confirm or deny statements to the effect that terms offered by Ray Collins of Boston would be accepted, nor would he name any of the fifty players of the American and National leagues, who have been reported to be negotiating for Fed-

eral league contracts.

"All of the clubs in the league have all the players they need with the exception of Brooklyn and Buffalo," said President Gilmore. "We probably will sign two more players for each of these teams."
